SENSEI

↑
Sensei (Japanese for "Teacher") written in a stylized font.

Nihongo Sensei

Goal

Nihongo Sensei is a flashcard and vocabulary study website. The site allows users to make vocab lists and create flashcards to facilitate their learning of the Japanese language.

Target User

Nihongo Sensei is targeted at student and independent learners looking for a practical solution to their study needs. Our users will be offered a wide array of personalization options and help to provide others with user generated content.
